G-d: Come to think of it now-a-days no one but Noah and his family behaves. You know what? I'll have a flood and get rid of all the bad people! Hey Noah in a hundred and fifty years I will have a flood and you should build an ark.

Noah:

Ok what should I take?

G-d

Two of every non-kosher animal, seven of every kosher animal, also your family!

Yam

Can I bring my friends?

Noah

No you can not, because we are only allowed to bring our family.

Ham

Why can we bring only our family?

Noah

We can only bring our family because we are the only ones that behave.

Shem

Uhhhh,fine.

G-d

You know have a hundred and fifty years to build an ark that can hold two of every non-kosher animal, seven of every kosher animal, and your family!

Noah

Got it! Who wants to help build the ark.

Ham,Yam,Shem

We do, we do!

Narrator

So for a hundred years Noah and his kids built an ark. For most of the time it was raining and it was very miserable.

G-d

The flood is coming in two days get all your animals and start loading your ark.

Naoh

Alright I need everyone on deck to help. We have two days to get ready.

Shem

I call shotgun! But I would also like to help. I love animals and I would love to take most of the animals in the ark.

Noah

Yam what would you like to do?

Yam

I would love to get all the supplies for our family.

Noah

What about you Ham?

Ham

I would love to warn all the other people about the storm.

Narrator

Then they all split up to do there jobs. Two days went by like that and they were off.

G-d

It's time to leave make sure you have everything you need. The storm will be forty days.

Noah

Let's go. The storm is coming and we must leave before it starts.

Narrator

At the end of 40 days, Noah opened a window and sent out a raven, and it went to and fro. Then he sent out a dove to see if the waters had

decreased from the ground, but the dove could not find a resting place, and returned to the Ark

Naoh

Since the first dove didn't find any land let's try it again.

Ham

Let's hope the dove brings something back.

Narrator

The dove finally came back and brought an olive branch. Then they were to go to land.

Shem

Oh my gosh! There is finally somewhere to go. I was kind of getting sick of this ark.

Yam

Me to, I hope we get there soon. I am going to check on the animals.

Ham

The animals are getting very hungry so you should go quickly.

Noah

We have arrived to land.

Everyone

(Cheering)

G-d

Here at this land you shall still obey me and follow the seven commandments.

Griffin

Here are some important topics to talk about at the shabbat table.

1. The torah says Noah was “righteous even among his generation” there are two generly accepted meanings of this.

Audrey

1. One, Noah was a tzaddik who was incorruptible despite the evil around him.

Maytal

1. Two, Noah was not a bad person, but he was not a particularly good person either. He and his family were only saved because they were still better than everyone else. We chose to go with the first version for this production but you can have your own beliefs.

Becca
